The Daggett Gymnastics Team is made up of approximately 80 boy and girl athletes from Massachusetts and Connecticut. Our gymnasts have achieved numerous awards at State, Regional and National competitive meets. During the 2009-2010 season, there were 14 athletes from our program that were invited to compete in the Junior Olympics on the National Level, including 3 athletes who qualified for the USA Championships held in Hartford, CT in August of 2010.

You may visit our organization on the web at

This tournament will assist our gymnasts in defraying the costs involved with competing in these premiere events. We appreciate your support of our gymnasts and hope you enjoy your time at Twin Hills Country Club.
